

Thank you again for your dedication and commitment to the 6th annual Chicago Area Undergraduate Research Symposium!

We are looking forward to seeing you Saturday, April 10, 2010!

**Andrew J. McGowan Science Pavilion
DePaul University
1110 W. Belden Avenue
Chicago, IL 60614**

You will be assigned to judge specific students ahead of time and will receive this list of students upon arrival. There are over 170 students participating in this event and it is important that they are all given the opportunity to receive feedback from the distinguished academic judges. It is very important that you attend the event during your scheduled time—the students are counting on you!

Schedule updates: Our full event schedule can be found on page 2.

- We will be holding a brief orientation meeting for our judges before the first judging session at 11:15am in Andrew J. McGowan room 108 to answer any questions you may have about the event. Any questions after this time can be directed to any InterSchool Board member or attendees at the judging table.
- Judging and student registration will be open all day. We ask those judging the poster sessions to arrive at 11:00 am.

Transportation:

Public Transportation:

We strongly encourage you to use public transportation. The Fullerton stops on the Red and Brown Line, as well as many bus routes, are within a few blocks from Andrew J McGowan Science Pavilion. Please see the map of the DePaul University's Lincoln Park campus on page 3.

Driving & Parking:

CAURS will be also providing free parking for our judges. You can park in one of two garages: 1) 2331 N Sheffield Ave 2) 2330 N Clifton Ave [preferred] (see map – page 3). You may pick up a parking voucher at the registration tables.

Event details:

- Catered lunch will be served in DePaul University's Ballroom on the first floor of the Student Center. You are free to eat lunch there or visit local restaurants. Please be back in time for the oral presentations.
- Dinner arrangements have been reserved according to your attendance as specified in your registration form. If you are not staying for the banquet, you are still encouraged to listen to the keynote lecture by Dr. Rocky Kolb, Department Head of Astronomy and Astrophysics at the University of Chicago, in the Main Ballroom of the DePaul's Student Center.
- Awards will be given for the top poster presentations in each subject, top oral presentation, and the best overall presentation. Award-winning students will receive prizes of up to \$500 to put towards future research.

This is a business professional event!

Please email info@caurs.com or visit our website at www.caurs.com if you have any questions.
